

The Gold Medal of Achievement

If your Outpost isn't running the Royal Ranger program as it was designed and your boys are not earning merits and ultimately the Bronze, Silver and Gold Medals of Achievement, then your boys are not growing and most likely your outpost is not growing. It's a good chance that the boys are dropping out of the program because they are bored to tears. If that is the case, then it's time to put some effort into your lessons and teach your boys a thing or two. **Scroll down** to find out which outposts are working with their boys to earn merits and the Gold Medal of Achievement.

The following list is incomplete. We need your help to identify what outpost and church that many of the GMA recipients earned their GMA. If you know any of the information please e-mail Greg Scott at gscott@pdrangers.org
