2. Fax 412-291-3287
3. Online The form is fillable, savable and printable and can be emailed to levi@kpier.com. This will occur automatically by clicking on the 'Submit Form by Email' button at the bottom of the form. If your e-mail client does not open after clicking the Submit button and saving the file, you may have to open your e-mail service and paste the saved file into the e-mail and then send it.

Registration Fees:

Young Bucks - \$13.00
Old Timers - \$18.00

After April 16th
Young Bucks - \$15.00
Old Timers - \$20.00

A \$1.00 Family Discount applies to members of the same family. The discount starts with the third family member registered.

No matter which way you register, registration and payment must be received by April 24th. Please allow sufficient mailing time so that the payment is received by April 24th. Kelvin Pier will be out of town after April 24th so payments received after April 24th will not be opened and posted until after the Trace, therefore, there is a good chance you'll be asked to pay at the Trace and your check returned after the Trace. If you pre-register, but do not send your money in so that it is received by April 24th and you pay at the Trace, you will be required to pay the late fee.
